For me not tame pets —
it's wild creatures that
I love. Buds, moths,
butterflies, snakes, toads,
leopards. Not always
sociable but always
inspiring.

Action for Survival

Use only what I need;

Do only what we all agree on.

Napa State Hospital in the 60's

I remember 4 youths carrying a huge banner down the "U" shaped driveway bearing about huge letters. "Stamp Out Mental Health."

Tradition in my Family.

How my 10 yr. old son loved to wear my father's old black felt hat: but there was sorrow in my mother's clothes & I did not wear them.

Is it possible to act for the survival of our species in the framework of today's religious beliefs?

"eye for an eye"

Like the pull of gravity it takes place whether you know it or not.

example: Howard freeway wreck & Carol picking him up.

An individual is not only a part of the Universe becoming conscious of itself. But is individually capable of choosing a future for us and bringing it into being.

One thing in the '20's that turned me off about sex was the unaesthetic unrealistic presentation in the mass media. (radio songs,

Film Difference between art & experimental

I did not want to make a film using new ideas that anyone could sooner or later think of. But something that only I could create.
